Subject: Request for Small Mine Reclamation Contract and Letter of Credit, Dale D. Rogers, Pitchfork Springs/Multicolor Green, S/027/033, Millard County, Utah

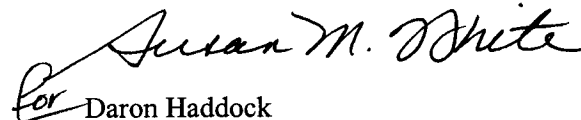

Dear Mr. Rogers:

The Division (DOGM) has received information regarding the issuance of a letter of credit (LOC) by Zions Bank in the amount of \$8800.00. We appreciate the efforts that have been put forth thus far, however, the Division has not received the amendment to the LOC including DOGM as co-beneficiary. Please contact the bank and ask that the original LOC amendment is sent to the Division as soon as possible.

In addition, the completed, signed and notarized small mine reclamation contract must be received. Please find it enclosed for completion and notarized signature. Please return the contract in original form to the Division, attention Minerals Regulatory Program.

The Division appreciates your attentiveness and responsiveness in working toward completion of the reclamation surety requirements. Please promptly return the completed reclamation contract and LOC addendum. If you have any questions or require discussion, please contact Ms. Beth Ericksen (801) 538-5318 or bethericksen@utah.gov.

Sincerely,

for Daron Haddock
Permit Supervisor
Minerals Regulatory Program
